Unique 520

A cute eastern style figurine USB flash drive with a couple matching ID design for users to choose according to their preferences.

The chain-hook design allows users to use the product as a decoration accessory to their purse, clothing, keychain, etc.

In addition to its external ID design, practicality measures were also considered. Using specialized rubber material, it gives users a firm grip feel and shockproof functionality.

SP Widget is a free professional software. With seven main functions, SP Widget enhances the applications of your Unique 520 USB Flash Drive and makes your data storage more effective.

Feature
